Work Integrated Learning: A distributed approach to leadership

Visit acen.edu.au/WILleadership to find out more
### Shaping the vision
- Plan, articulate, influence and advocate strategy
- Foster WIL culture to achieve equity and quality WIL outcomes
- Enable change and innovation to respond to emergent trends and wider contexts

### Creating and sustaining WIL relationships
- Identify and engage with diverse WIL stakeholder networks
- Collaborate within, across and outside the organisation
- Nurture relationships to strengthen WIL culture

### Fostering WIL engagement, expertise and student learning
- Build WIL pedagogy, curriculum and expertise
- Cultivate innovative approaches and quality experiences in WIL
- Promote WIL scholarship, research and practice

### Communicating and influencing WIL
- Develop shared understandings about WIL
- Build sustainable WIL practice through the development of networks and communities of practice
- Broker and advocate for meaningful WIL outcomes

### Driving organisational and joint industry/university outcomes
- Identify and manage common challenges and risks
- Promote shared benefits
- Build, cultivate and maintain capacity and equitable outcomes
