Workshop:
Non-placement authentic WIL

ACEN (Vic/Tas) and HERDSA (Vic) committees invite you to a joint workshop event that will showcase a variety of authentic non-placement WIL approaches and will offer opportunities to discuss them and shared experiences.

It is increasingly challenging to find placements for our students to have intensive WIL experiences and prepare them for employability. The majority of students don’t have access to placements and these non-placement authentic WIL activities provide them with opportunities to engage with industry and community in work-related assignments.

ACEN VIC/Tas and HERDSA (Vic) will host a workshop on non-placement Work-Integrated Learning on May 15, 2015.

The workshop will include opportunities to discuss WIL challenges and effective ways to implement non-placement WIL with experts in the field.
