

PROFESSIONAL EXPERIENCE PLACEMENT
PILOT STUDENT SURVEY

Professional Experience Placements (PEPs) provide you with an important opportunity to undertake work-integrated learning while studying at university. This survey asks you to think about and consider your LEARNING experiences while on PEP. The results from the survey will be available on the University of Tasmania's Student Evaluation, Review and Reporting Unit's webpage after analysis and will be used by university staff within your Faculty to enhance and improve students' PEP learning experiences.

The following questions relate to your **most recent/current** PEP. Your responses are entirely confidential, so please respond honestly to the questions.

1. Please select the unit you were enrolled in for this professional experience placement: Choose an item.

2. At which organisation were you located for this professional experience placement? (N.B. This question is *optional*. You are not required to provide a response if you feel that you could be identified by answering this question.)

3. Prior to starting this professional experience placement (PEP), to what extent did you:

Not at All Somewhat A Great Deal Not Sure

Feel prepared for your PEP in terms of your learning (e.g. prior knowledge)

4. During this PEP experience, to what extent did you:

Not at All Somewhat A Great Deal Not Sure

Apply (i.e. put into practice) your prior knowledge

Build on your prior knowledge

Actively engage in learning (e.g. sought information independently, negotiated learning opportunities etc.)

Feel supported in your learning by your primary PEP supervisor/preceptor (or equivalent)

Have opportunities to develop and apply your ethical principles (e.g. client confidentiality, respect for others etc.)

Achieve the unit learning outcomes

Achieve your personal learning goals
