# Literacies for Life

The *Literacies for Life* combine to enhance employABILITY and give you more control over your future

## Basic literacy

Career thinking; belief in yourself and your abilities.

## Rhetorical literacy

Interpersonal skills; disciplinary and digital knowledge, skills and practices.

## Personal and critical literacy

Problem solving, decision making, goal setting and goal achievement.

## Emotional literacy

Interactions and relationships.

## Occupational literacy

Career thinking, lifestyle and flexibility.

## Ethical, cultural and social literacy

Ethically, culturally and socially acceptable behaviours and values.

## EmployABILITY development is *not*

- A destination
- Achieved at graduation
- A certificate
- A job
- Developed exclusively in the workplace.

## EmployABILITY *is*

“The ability to find, create and sustain meaningful work across lengthening working lives and multiple work settings.”
