

PRE-CONFERENCE WORKSHOPS

NOW OPEN TO NON-CONFERENCE DELEGATES

The 2016 HERDSA conference will be held in Fremantle on 4 - 7 July 2016 (www.HERDSA2016.org). If you are not attending the conference you can still participate in the pre-conference workshops which will be held at the University of Notre Dame Australia. Many of the workshops are scheduled around themes so that you can participate in a morning workshop and afternoon workshop that complement each other. There is a discount for registering for two half-day workshops.

The following workshops are open for registration.

- Building your academic identity and career strategy
- Writing for publication under the 'Big Tent': A writing-focused workshop for scholars new to teaching and learning
- Reading and Selecting the Higher Education literature: How do I know what to read and include in a teaching and learning manuscript?
- Professional Development for New Academic Developers
- Professional development for academic leaders
- Developing an Assurance of Learning wish list
- Embedding evaluation and research into curriculum design and delivery
- Embedding evaluation and research into curriculum design and delivery
- Professional Competency Based Assessment (PCBA) Not Meaningless Marks: achieving professional practice through assessment
- Local/Global learning: Curriculum and pedagogical frameworks to develop global perspectives
- Design thinking
- Enhancing threshold capability development with intensive and other modes of teaching
- Quiet Day (full day workshop)
- TATAL: Talking about Teaching and Learning (full day workshop)

For workshop abstracts and facilitators go to <http://herdsa2016.org/workshop.html>.

To register for the pre-conference workshops as a non-conference delegate, go to https://register.eecw.com.au/ei/getdemo.ei?id=632&s=_1080W3DMX.

Deadline for registering is **Monday 13th June**.

If you have already registered for the conference, it is not too late to add a pre-conference workshop to your registration. Just return to your registration and add the workshop.

And don't forget if you want to attend all or a single day of the conference, registrations are still open <http://herdsa2016.org/registration.html>.

If you have any questions please email daniela.dwyer@eecw.com.au.
